## what is a covenant group?

a covenant group is 12-16 Christ-followers who:

- meet at least 2-3x per month
- apply the Scriptures together
- pray for each other
- encourage one another and hold each other accountable
- serve together

## what is the purpose of the covenant group ministry?

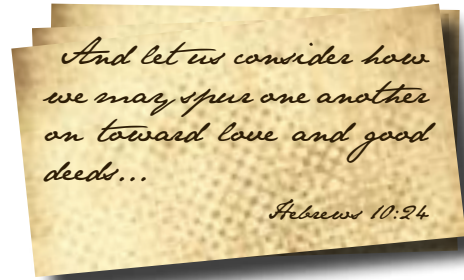

our covenant groups are structured to accomplish these 4 Biblical objectives:

- changed lives
- biblical fellowship
- mutual ministry
- multiplication of leaders

## what does a typical group gathering look like?

the above goals shape the way our groups spend their time together. a covenant group will try to accomplish the following each time it gathers:

- fellowship time
- Bible application/discussion
- prayer/accountability

## can I join a group at any time?

there are two seasons each school year when we will birth new groups or add to existing groups: early Fall and shortly after the New Year. we will receive registrations for new groups prior to these two launch windows and assign you to a group.

## is there a commitment required to join a covenant group?

yes. in order to accomplish the biblical objectives of our small group ministry, it is essential for those registering for a group to make group gatherings a high priority on their schedule. faithful attendance not only strengthens the group but also provides the most benefit for individual group members. since there is limited space, it is important that you sign-up for a covenant group only if you are able to faithfully participate.

**our small group ministry is the primary vehicle** for discipleship and care within the Calvary family. joining a small group is essential to getting "plugged in" at Calvary. we call our small groups "covenant groups" in order to convey the commitment a group must make to grow in Christ together.
