**Intro: acoustic guitar and voice on first verse**

## **Verse**

C                      G/B                      Am  
Give me one pure and holy passion  
F                      Am                      G  
Give me one magnificent obsession  
                    C                      G/B                      F                      Am  
Jesus, give me one glorious ambition for my life  
                    F                      Am                      G                      C  
To know and follow hard after You

**Repeat verse**

## **Chorus**

C                      F                      G  
To know and follow hard after You  
C                      F                      G  
To grow as Your disciple in the truth  
                    F                      C  
This world is empty pale and poor  
                    Am                      G  
Compared to knowing You my Lord  
                    F                      G                      Am  
Lead me on and I will run after You  
                    F                      G (break) C  
Lead me on and I will run after You

**Repeat Verse**

**Repeat Chorus 2x**

**Ending F G C (3x)**
